Consultation Appointment(s):

Prior to the appointment, a pharmacist will review and provide a written assessment of travel health recommendations.

Prescriptions will be provided by Pranvera Shteto, NP after reviewing the assessment and recommendations.

At the appointment, a pharmacist will provide counseling on the travel health recommendations; including any recommended medications, recommended vaccines, insect precautions, self-treatment of diarrhea, sun safety, infection control measures, and recent travel advisories/outbreaks.

Cost:

Consultation (Single)	\$70
Consultation (Student)	\$60
Consultation (Couple)	\$100
Consultation fee per additional person	\$20
Administration fee per vaccine	\$20

These are consultation/administration fees only and do not include the cost of vaccines or medications (if required). Depending on the itinerary, the consultation typically lasts 30 minutes.

Administration of Vaccines:

Vaccine administration to those 5 years of age and older is provided by a pharmacist trained in the administration of vaccines.

Vaccine administration to those under the age of 5 years old is provided by Pranvera Shteto, Nurse Practitioner.

You will be required to wait at Medical Arts Pharmacy for 15 minutes after receiving a vaccine.
